ABSTRACT

An abstract is a single paragraph, without indentation. It must cover five components: (1) brief background; (2) research purposes or research questions; (3) methods; (4) results; and (5) conclusions. The purpose of an abstract is to make readers have general understanding about your article. Abstract is written in English, with no more than 300 words. The abstract should be written in MS Word. Margins with A4 sized paper, Top: 35mm, Left: 30, Foot and Right: 20mm. The main text, Times New Roman, Font size: 12, Regular. Paragraphs are justified (straight- edged) on both left and right. Abstracts that do not meet these formatting requirements will be returned. The organizing committee reserves the right to edit abstracts for correct formatting. Abstracts are due by **October 7, 2023**, and authors of accepted abstracts will be notified by 10-14 October 2023. All of the abstract submitted will be selected by reviewers based on its relevance with the conference topics. Once accepted, the authors will be invited to submit a full manuscript by November 30. Selected paper will be considered for publication in a conference proceeding. For authors, there will also be a selection or review before the date of RUSET 2023. Please refer to the timeline to understand the selection process about abstract and paper. Please submit your abstract and paper to http://ruset.skpm.ipb.ac.id.

Keywords: Maximum Five (5) keywords are allowed; Times New Roman, Font size: 12, Regular. Paragraphs are justified (straight-edged) on both left and right.
